Banksfield Allotments

Last week Hebden Royd Town Council finally took ownership of Banksfield Allotments in Mytholmroyd.

After initially getting the go ahead for an asset transfer of these allotments from Calderdale Council in April last year, the transfer has now been completed and work has already started on site to improve the existing provision and to create new growing spaces.

Overgrown ready for transformation

Some of the plots at Banksfield had been

unused for a number of years and had become extremely overgrown and somewhat of an eyesore for local residents. Now work is underway to transform the disused plots in to several smaller and more manageable growing spaces, which will go some way to reducing the 50 strong waiting list.

Other works that will be undertaken at the site include repairing the perimeter fencing, installing a central pathway and installing retaining walls which are essential for the safe operations of the site.

Hebden Royd Town Council will now work in partnership with the plot holders to continue to improve the site.

Mayors Spring Supper

The Spring Supper is an informal evening of fantastic entertainment. A pie and peas supper will be served followed by live music from the Owter Zeds - a local band who play familiar sounds with a distinctive twist.

Tickets are available for just £12.00 each, with all profits from the Supper going to the Mayor's Charity, Calder Valley Search & Rescue.

Each ticket will also be entered into a prize draw giving you the

opportunity to win wine for your table.

A raffle will be held on the night with some great prizes including a traditional family holiday.

Win a family holiday to the seaside!

Ever feel like you could do with a holiday...

Then take part in the Mayors Spring Charity Raffle and you could be on your way to the seaside!

Throughout the year the Mayor of Hebden Royd Town Council,

Clr Christine Davenport has been raising money for Calder Valley Search and Rescue.

As her mayoral term comes to a conclusion one of her final fundraisers is the Mayors Charity Raffle...all the money raised will go directly to Calder Valley Search and Rescue.

The Mayor has teamed up with Haven Blackpool to offer a family holiday for up to 6 people at Britain's best loved traditional seaside resort.

Tickets are available from the Town Hall and from retailers across the town, priced at £5 each.

PARENT & BABY AT HEBDEN BRIDGE PICTURE HOUSE

Parent and Baby screenings are now part of the Picture House programme. The screenings will take place once a month, on a Tuesday morning and will be exclusively for parents and their babies.

The lights will be turned up a little (and the sound down a notch or two), to help create a stress-free, friendly and relaxed environment where parents or guardians can enjoy the latest film with their babies.

The practicalities have also been taken care of to make a trip to the Picture House as easy as possible. The unique auditorium means that there is plenty of leg room for baby car seats, bags and other items as well as there being storage at the back for pushchairs. There is level access throughout for prams and pushchairs via the emergency door to the right hand side of the cinema and of course baby changing facilities have been installed in the foyer's accessible toilet. The Parent and Baby screenings are part of the continued improvements to the Picture House which have occurred since Hebden Royd Town Council took over its ownership and management in 2012. The new Manager, Rebekah Fozard is passionate about ensuring that the Picture House can be enjoyed by the whole community and the Parent and Baby screenings are an important step in making the Picture House more accessible.

'There have been many requests for this type of screening' said Rebekah Fozard 'and we hope that it will open up the cinema to mums, dads and carers who might not typically attend, with the timing of traditional screenings clashing with bath and bed time or through fear of disturbing other members of the audience if baby decides that they don't like the film! In addition it gives the opportunity for interaction with other adults - time to share a coffee and conversation'

Tickets for the Parent & Baby screenings are at the reduced rate of £5 (no other discounts apply) and include a free hot drink or glass of squash. The programme begins at 10.30 (doors open at 10.15) and the film begins at 11.00.

Please note only adults with babies/young children can be admitted to this screening.
